The EAC/ACB Members' Exhibition allows public photography. By submitting this form, you will ensure that ALL participants in your group are aware that photographs will be taken by exhibition attendees and by EAC/ACB for promotional purposes.

Each piece of embroidery entered requires a completed Members' Exhibition & Award Entry Form by the due date. For example, if eight people each embroider one piece and group those eight pieces as one entry, each person must complete an entry form. One entry form must be completed if eight people embroider on the same piece and enter that one piece.

Seminar Group Project entries without a completed entry form by the deadline will not be displayed.
