

## TRY A NEW STITCH

### Smyrna Cross Stitch

To make a Smyrna cross stitch, first make a cross stitch and then a plus sign. Following the diagram below, bring your needle up in 1, down in 2, up in 3, etc.

The Smyrna cross can be used with regular embroidery thread and Aida cloth and needlepoint canvas and it can also really spice up other embroidery.

Try it for making stars on your surface embroidery. You can use metallic thread to make them "sparkle" in the sky!!!!
