Archives Policy

Purpose and Aim of the EAC/ACB Archives

1. To collect the chronicles, records, annals and documents of importance to Embroiderers' Association of Canada, Inc./Association canadienne de broderie, Inc. (EAC/ACB) and its Chapters
2. To categorize, catalogue, and file any documentation received either in paper or electronic format.
3. To store the EAC/ACB archives, paper and electronic, in a dry and secure location in accordance with best archival practices.

Reports to Secretary

The EAC/ACB Archives are administered and maintained by the EAC/ACB Archivist, an appointee of the Board of Directors. The Archivist job description outlines the duties and timelines.

The Archives of Manitoba holds copies of some paper-based EAC/ACB archival documents—specifically, a copy of all Chapter newsletters, Embroidery Canada and some EAC/ACB Board meeting minutes, which date prior to 2005. These papers have become the permanent possession of the Archives of Manitoba. The files that the Archives of Manitoba hold are covered by their personal information privacy policy. Any member of the public may view these documents. Note that the Archives of Manitoba will no longer take files from us.

Documents are to be in electronic format. Electronic items must use either .pdf or .jpg format. The only paper copies of new items to be kept are government-type as required by the government, if any.

All submissions to the EAC/ACB Archives must contain the title and date of the document. Any Officer, Director or Appointee to the EAC/ACB Board of Directors may send items to the EAC/ACB Archives for “off-site” storage when they deem it necessary.
