Spring Crewelwork Project

Basic/Intermediate || Crewelwork

Available Nov. 1, 2025, to Feb. 28, 2026

by Clare Clepsy

Stitch a timeless piece with this elegant crewelwork pattern. With only a few materials required, it's accessible for embroiderers of beginner to intermediate levels. The design strikes a graceful balance between simplicity and sophistication, bursting with rich blues and golden tones that are both joyful and classic.

A delightful mix of stitches keeps things engaging and educational, making the journey as enjoyable as the finished piece. Thoughtfully designed by an experienced needlework author, this pattern invites you to bring beauty to life, one stitch at a time.
